Description:

This database is an index to the 1910 US Federal Census for the state of Kentucky. The 1910 Miracode indexes record the following information for each person: name, relationship to head of household, color or race, age at last birthday, marital status, visitation number or family number, place of birth, county, township, and enumeration district number. The information found here will lead researchers to the location of their family in the actual 1910 US Federal Census Schedules.
